

## PRESS RELEASE

---

**STATEMENT BY MASSIMO DONELLI:  
DIRECTOR OF CANALE 5  
*THE MAURIZIO COSTANZO SHOW RETURNS***

Announcement by Massimo Donelli, director of Canale 5: "It is for me a truly great pleasure to announce the return on Canal 5 of a great classic of Italian TV: the "Maurizio Costanzo Show". From 11 January until May, every Thursday, in the late evening slot, Maurizio Costanzo will present, at great public request, his celebrated talk show.

Also because he personally, as well as the channel, has been submerged by emails and letters from viewers asking to see the cornerstone of the Italian talk show. Consequently, Maurizio is currently developing in great detail to recreate the style and feel that made the Teatro Parioli a mythical location for Italian TV. And he is working with the enthusiasm of a boy, as always happens when he starts a new page in his highly personal story in television".
