

PRESS RELEASE

**ZELIG RETURNS IN JANUARY
WITH 4 EPISODES OF ARCIZELIG**

**STATEMENT BY MASSIMO DONELLI,
DIRECTOR OF CANALE 5**

Statement by Massimo Donelli, director of Canale 5: "On Monday 8 December, with a range of exceptional guests, including Aldo, Giovanni and Giacomo, Jovanotti and Sabrina Ferilli, the cast of Zelig will make their last appearance of 2008 on the stage of the Arcimboldi Theatre. This will conclude another highly successful season of the comic cabaret of Gino & Michele and Giancarlo Bozzo that every year Canale 5 delivers to millions of viewers. Despite changing the day of broadcast and in the face of a fiercely competitive scenario, Zelig has, once again, given the channel results in excess of those guaranteed to the advertisers. But above all it has confirmed that it is possible to combine quality TV, big ratings and popularity, as is well understood by Claudio Bisio and Vanessa Incontrada, two exceptional examples of professionalism and charm much loved by millions of viewers. So, by popular demand, Zelig will be back on Canale 5 in January with four special episodes ("ArciZelig") and new names on the stage. A great way to start the 2009 season."
