THE EDITOR OF RAINEWS CORRADINO MINEO:
« WHEN I SAW TGCOM24, I SAID THAT'S HOW TO DO IT! »

« As soon as I woke up that morning, because unfortunately they didn't call me, and I saw the images that Tgcom24 was running I said, that's how o do it ». With great honesty, this was how the editor of Rainews Corradino Mineo, speaking today on the programme Raitre "Tv Talk", commented on the work of Mediaset's all-news channel and its coverage of the shipwreck of the Costa Concordia: *« My sincere compliments to Giordano because on his baptism of fire he has achieved top marks ».* A rare recognition from a competitor who has distinguished himself for his seriousness and professional elegance,

TgCom24, the first TV channel to broadcast live from the location of the disaster, also obtained the only television interview with the captain of the Costa Concordia Francesco Schettino shortly before his arrest.
