

## **RATINGS BOOM FOR THE TV FILM "IO TI ASSOLVO":**

### **STATEMENT BY GIANCARLO SCHERI**

The Canale 5 audience yesterday evening for the TV film "Io ti assolvo" reached an extraordinary 6,408,000 viewers, and a 26.01% share in the commercial target and a peak of 7.390.000 viewers and a 35% share in the commercial target. "Io ti assolvo" has proved to be an entirely successful experiment in a genre, it is a pure thriller, that has been little tried on TV. My thanks go to the producer Alberto Tarallo, the director Monica Vullo, the scriptwriters Teodosio Losito and Luigi Montefiori, the actors Gabriel Garko, Lorenzo Flaherty, Cosima Coppola and Stefania Sandrelli and the rest of the cast and the RTI editorial group.
