

PRESS RELEASE

**MEDIASET MAKES A CLARIFICATION
CONCERNING THE APPEAL TO THE TAR REGARDING TV FREQUENCIES**

Contrary to various press reports, probably due to a misunderstanding, Mediaset has not made any form of appeal regarding the amendment to TV frequencies recently approved by the Finance Commission of the Lower House.

An appeal was filed by Mediaset with the TAR on 13 March 2012 and refers to the ministerial decision of 20 January that ordered the suspension of the so-called “beauty contest”.
